October 2023 - October 2024

As the Content Creation Head, I lead a dynamic team of students in producing engaging and impactful content across various media platforms. My role involves overseeing the entire content creation process, from brainstorming and planning to execution and distribution. I strive to foster creativity and collaboration within the team, ensuring that our content resonates with our target audience and effectively communicates our organization's goals and messages.

Accomplishments:

- Led a team of 32 students in creating diverse content, including voice overs, videos, social media content and graphics to promote student activities and events.
- Managed to increase the traffic on Instagram platform by 120% making it a whole new platform for the Organization to post on.

Senior Video Editor

November 2022 - September 2023

I took a leadership role in managing the video production team and ensuring the creation of compelling and high-quality content that showcased our student activities and events. My responsibilities included overseeing the editing process, mentoring junior editors, and collaborating with various stakeholders to bring creative visions to life. Through my expertise and dedication, I contributed to enhancing the visibility and impact of our organization's initiatives.

Accomplishments:

- Led a team of student editors, providing mentorship and support to develop their editing skills and achieve project goals.
- Edited a wide range of video content, including event coverage, promotional videos, and interviews, to highlight student activities and initiatives.
- Applied advanced editing techniques, including color correction, sound design, and visual effects, to enhance the quality and impact of video content.

Junior Video Editor

March 2022 - September 2022

I developed my foundational skills in video editing, contributing to the creation of various video projects. My role involved supporting senior editors, assisting with the editing process, and learning industry-standard techniques and tools. Through this experience, I gained valuable insights into the production workflow and honed my ability to produce high-quality video content.

Accomplishments:

- Assisted senior editors in the editing process, providing support with tasks such as organizing footage, selecting clips, and assembling rough cuts.
- Edited promotional videos, interviews, and event coverage, ensuring a cohesive narrative and visual style.
- Attended training sessions and workshops to further develop editing skills and stay current with industry advancements.
